## Welcome to Redline

**Mrs. R. B. Stimson**

The Mid-South sale is always a highlight of the year at Redline Farms. It gives us a chance to welcome all of our friends and to present again an attractive offering of our cattle along with those of neighboring breeders to help stimulate Shorthorn and Polled Shorthorn demand in this section of the country to the point where we all enjoy an active private treaty trade for our bulls when they reach salable age.

This happy situation forced us to cancel the 1969 sale, but we're here now with the seventh sale in eight years. It is a pleasure to welcome six new consignors: Paul Mallett, Zack Taylor, John Ed Miles, H. Alan Rands and R. E. Buck. Theirs are true foundation cattle and we recommend them as heartily as we do our own.

The sale cattle and the entire Redline herd will be ready early sale weekend and we hope you'll come well in advance of the sale as it starts at 11:00 a.m. in order to permit you to get an earlier start home.

Kathy and I look forward to welcoming you for buffet dinner at 6:30 p.m. Sunday, April 4, at the Country Club.

Cordially,

**R. B. Stimson**  
Redline Farms

Meet the men of Redline: from left, R. B. "Bob" Stimson; manager Richard Yarnell, and herdsman Russell Sloan. They are three of the most genial and respected cattlemen in the business.

## From the Sale Manager —

The Mid-South sale was founded by R. B. Stimson of Redline in 1963 to expand Shorthorn and Polled Shorthorn trade in the South. This goal has been accomplished admirably. Today the private demand of all Shorthorn and Polled Shorthorn herds in the area is substantially increased. Further, a large number of new herds are flourishing in the area and many commercial herds are using Shorthorn bulls in preference to the whitefaces that once dominated the area.

Bob Stimson and the other energetic folks at Redline are determined to make Redline a telling force in the nation's beef cattle picture . . . not just in terms of winning show cattle and top-priced animals. Redline is a practical place and Bob Stimson is a practical man. There are no frills or wasted movements, just plenty of good cattle that pay their way handsomely as part of a vast Mississippi Delta farming operation.

The names Stimson and Redline stand for quality and integrity. Bob, himself, is a director of the American Shorthorn Ass'n., its past president, a trustee of the National Shorthorn Foundation, and a "Builder of the Breed."

Bob's wife, Kathryn, is active in national Shorthorn Lassie affairs, was "Lassie of the Year" and national Lassie vice-president.

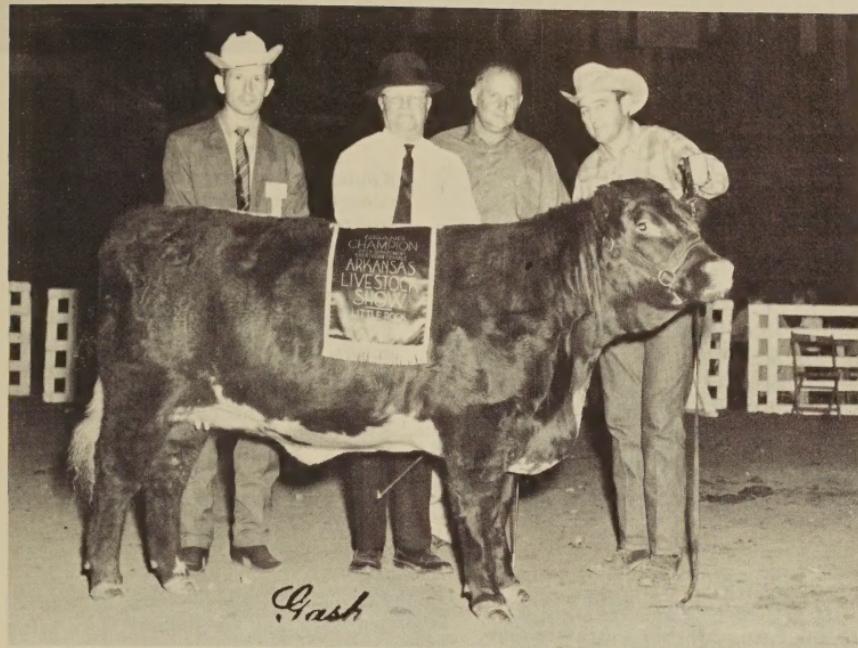

Manager Richard Yarnell is a well-known judge and has travelled throughout the country in the interests of the breed.

Russell Sloan deserves much credit for presenting and roading the successful Redline show herd throughout the South, and more recently on a national level.

Again this year Redline is joined by its friends and neighbors in presenting the largest and most practical offering to date. All animals are in production, many cows with calves, most of the females are bred and only one of the few open heifers is not of breeding age.

Come and enjoy good cattle, good people, gracious hospitality and beautiful spring weather, at Redline, on April 5.

HARRIS SIMONS  
The Shorthorn World

R L F Beatrice was grand champion of the 1970 Arkansas Livestock Expo. for Redline Farms. She is by Daybreak Nugget 2nd, sire of four females selling and two calves selling at side of dams.

Eleven females sell carrying his service and a calf at side by him sells. Two females carry the service of his sire.

## M S U SPARTAN DIADEM 6

By the incomparable Calrossie Dia- dem himself, the 6th was purchased at \$2,000 in the 1966 Ak-Sar-Ben National where he was grand champion. He has done a fine job of producing really outstanding calves at Redline. You'll be able to buy seven daughters on sale day.

## ABERFELDY FEARLESS

First in class at the International and an All-American, this son of the AAA Aberfeldy Captivator was purchased for Redline at \$2,700. Sonoray of fat thickness of .34 inch, and a ribeye of 1.97 square inches per 100 pounds of carcass. The 96A's x dam is Thomas Jubilee Flora. The Thomas Flora family contains some of their biggest cows. Six females in the Tilley Oaks consignment carry this valuable service.

# IN SERVICE AT HART FARM

**KINNABER CLIPPER KING 4th x**
